# PRESIDENT'S MESSAGE

Since CountryWide opened its doors in 2005, we have always prided ourselves on looking ahead, trying to anticipate the lifecycle needs of our communities and building homes people love to live in.

That is what excites our team and I at CountryWide about Midhurst Valley.

Every house we build, including the one you are looking at now, is built on a foundation of great people, imbued with a spirit of excellence, producing a quality product. Going above and beyond is our baseline standard.

On that foundation, we build your home using just four tools:

## **CAREFULLY CHOSEN LAND**

We work hard to find the best locations in which to live, so the people in our communities grow successfully and happily in the lifestyle they wish to lead.

## **FRESH, FOCUSED AND APPEALING DESIGNS**

It's not enough for us to build luxuriously, our homes – your home – must be elegant, designed for today, and stand out visually and ergonomically.

## **WORKMANSHIP**

We take great pride in our work and we have great respect for your investment in us. That's why your home is built above provincial code standards.

## **SERVICE**

The expectation that your needs are always met with professionalism, precision, and empathy so that your experience is service unmatched from delivery to warranty expirations and beyond.

CountryWide is renowned for creating among the finest and desirable homes in the GTA. These homes have built our reputation, and we look forward to building one especially for you.

Welcome to CountryWide's Midhurst Valley.
