

# Built For A Lifetime Of Missions

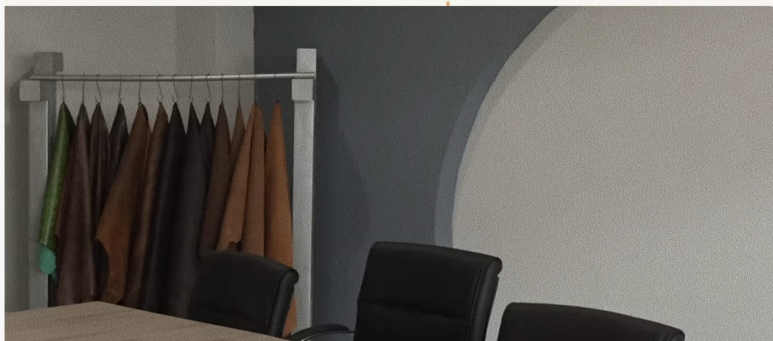

You don't buy Mission gear to keep it on a shelf, you buy it to put it through hell. Because this isn't designer leather, it's handcrafted gear that'll still look incredible decades from now.

## What's Actually In A Mission Bag?

Spoiler: It's a lot more than leather.

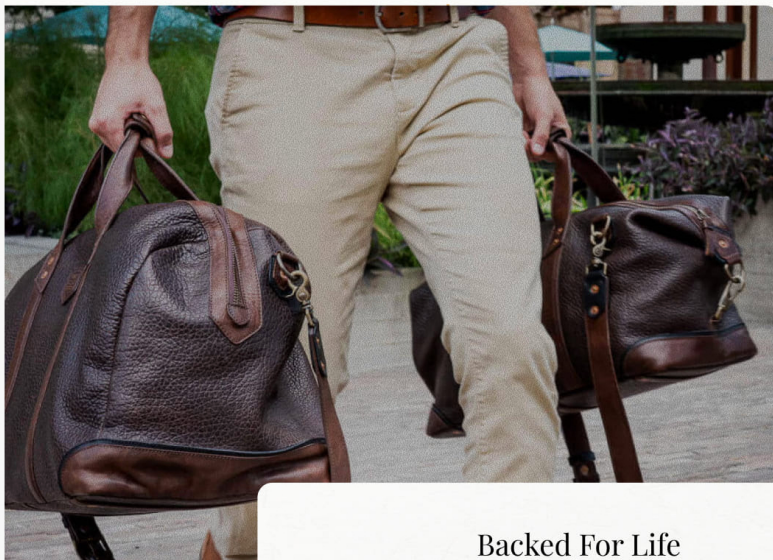

### Premium Materials

From the weather-resistant marine-grade thread, antique brass YKK zippers, to LWG-rated full-grain US steerhide.

### Handcrafted By Skilled Artisans

Relying on skills passed down through generations, our artisans painstakingly handcraft treasures that will last for generations.

### Backed For Life

Our Mission-Built-For-Life handshake promise guarantees your product for life.

Here at Mission Mercantile we don't cut corners... From our Mythical Customer Care™ to our brass hardware, it's all exceptional and made to last a lifetime.

## Don't Just Take Our Word For It...

I am more than pleased with my purchase.  
The attention to detail is simply incredible.  
It's absolutely stunning. **The bag is worth every penny.** You get what you pay for.
